Summer Starts at the Farm

We are currently \$530K on our way to reaching our Capital Campaign goal of \$1.5M! And we've raised \$50K, or 1/4 of the way toward funding our annual operating budget.

We are seeking multi-year pledges to support our loan. Please consider making **an annual pledge or donation.**

The Hub House is halfway there

With an anticipated finish date of January 2024, The Hub House is happening!
Our next group tour is Sunday the 23rd 10-12. Space is limited, so **let Kate know** if you'd like to join.

The architectural drawings include a top floor plan, a bottom floor plan, a color rendering of the exterior facade, and three elevation drawings showing different views of the building. The building is a two-story structure with a prominent gable roof and a wrap-around porch on the ground floor.

Moby, and all the other (bad word) T-Shirts

Jack (bad word)

Pea (bad word)

Moby (bad word)

One day, our friend Traeger told Connor (who was 18 at the time and a camper at Island Autism) that he liked the whale on his shirt. He said "hey buddy, is that Moby Dick on your shirt?". Giving a polite and politically correct response, Connor said "yes, Traeger it's Moby (bad word)". And this is when Moby (bad word) was born. Find Moby (bad word) shirts, along with Pea (bad word) and Jack (bad word) shirts at the Farmer's Market and at the Drive-in!
